Mafia Regulations

5/4/26

These are official regulations that will be implemented immediately and will be followed without question, or result in a major violation.

I. **Mafia Members are not allowed to use any non mafia owned property for the purpose of stashing, or any other actions that require stepping physically in the building in a non crime committing scenario**

II. **Mafia Members are not allowed to RDM or VDM an LEO that does not pose an immediate threat to any member of their mafia (Violence wise or Law wise (Being arrested)) , unless it is a part of the roleplay (Hostage Roleplay, etc.)**

III. **Mafia A is allowed to attack members of Mafia B as long as they are either in the turf of Mafia A or B**

IV. **Mafias are not allowed to breach their tier restrictions on member counts. 1st Tier: 10 members. 2nd Tier: 20 members, 3rd Tier: 50 members**

V. **Mafias are not above the deciding of any member of mafia/operations high command, and will be punished in the event that a mafia refuses an order given by them by High Command**

VI. **Mafias are not allowed to start fights with other mafias on turfs that are not owned, as those are seen as “neutral” turfs and free roam**

VII. Mafias are not exempt from the law. They can still be lawfully held accountable for all crimes they have committed, regardless of the reasoning behind the action.

VIII. Mafias are required to attempt to take any method besides lethal action in the event of an altercation with LEO/Civilians. Ex: Threaten, Shoot into the air, pop tires. If excessive lethal force is used, the mafia/mafia member can expect a punishment.

IX. Mafias must stay at a constant state of activity regardless of any external issues

X. Mafia members are not protected from moderation action in the event that they open fire on a non LEO unit, (Ex: Fire truck, Tow truck, Ambulance) Unless the driver puts a mafia member at risk, harm should not ever fall upon these vehicles.

XI. Mafias are required to keep a visible log of all attacks that have been attempted or done on enemy turfs.

For any questions addressing the regulations and or general questions, create a ticket.

Signed,

Director of Operations
