Property Regulations

5/4/26

These are official regulations that will be implemented immediately and will be followed without question, or result in a major violation.

I. **Property Owners are allowed to park on the surrounding curb to their property, as long as their car tires are within the interior white lines on the road.**

II. **Property Owners are not allowed to give away property without doing the proper logging process for the transfer of a property**

III. **Properties that are not houses are required to be consistently used by the company/person that owns it or it can be taken**

IV. **Property Owners are required to pay Property Tax or can face risk of their property being taken**

V. **Property Owners are not permitted to use parking space that is not allocated to the property in previous sections.**

VI. **Property Owners are not allowed to allow a second actor to use the property without the owner also showing activity in the building**

VII. **Houses are not allowed to be purchased by someone that does not own the property itself**

VIII. **Property Owners are required to pay taxes by themself, or rather an assigned finance agent/account that handles all economical transaction**

IX. **Property Ownership disputes are disputed by going to the website for all property listings, and checking the owner**

X. **Property Owners are not allowed to rent out their property to a second actor.**

XI. **Property Owners are not permitted to write policy that effects any other actor but themself, their affiliating actors, and the property.**

XII. **A company/business is only permitted to own and operate 5 properties at one time.**

XIII. **All renowned properties are official owned and managed by Civilian Operations, and have the final say in the distribution of them.**

XIV. **An operations high command is allowed to revoke access and ownership to a business if any of these rules are violated.**

For any questions addressing the regulations or general questions, create a ticket.

Signed,

Director of Operations
